

NOTICE OF BID CANCELLATION

TO: All Bidders and Plan Holders

FROM: Douglas Gresham, Project Manager 

PROJECT: NE 28th Avenue Improvements, No. 10468

DATE: February 5, 2014

The City of Hillsboro has decided to cancel the current Invitation to Bid for the NE 28th Avenue Improvements Project, scheduled to open on February 13, 2014, rather than postponing the bid opening for several months.

The City is working on substantial revisions to the project and will republish a new Invitation to Bid as soon as revisions are complete. The revised plans will include the addition of a street lighting control system, modifications to the traffic signal, revisions to the water line design, and other modifications, corrections, and clarifications to many sections of the plans and specifications.

If you purchased plans from the City for this project, the City will provide you with a set of the new bid documents at no charge. The new documents will be available for pick up at the Hillsboro Civic Center, or the City will mail them to you at no charge.

The City appreciates the time and effort that bidders put forth to prepare bids for our projects. We hope that this cancellation has not caused too much inconvenience. We look forward to the opportunity to work with you on NE 28th Avenue and other future projects.
